

We are celebrating our 14th year of
Summer Clay Camp 2017 at
THE POTTERY PLACE

Learn to work with clay and experience the fun of creating something from raw clay. A different theme is introduced each day and the campers create pieces according to the theme. Some of those themes include: **a garden theme, fantasy theme** i.e. princesses, fairies, dragons. A day where the children can create something for their rooms: name plaques, jewelry boxes, ring holders, **Holiday theme**: something for Halloween, Christmas, Easter.... Plates, bowls, mugs etc., or something for the home. These are created by hand building with the clay. The pottery is glazed while it is wet, next it is dried, fired, then dipped in clear glaze and fired again. The pieces are ready for pick up in 2 weeks. The campers also get to spend some time during the week learning the pottery wheel. For children age 6-teens

Times: mornings 9:00-11:30 afternoons 12:30-3:00 cost is 170.00 for half day per week. 310.00 for full day per week. You may choose to do only a few days as well and we will pro-rate your cost. We will also have aftercare available from 3:00- 6:00 p.m. (\$5.00 per hour).

June: 19-23 _____ Aug. 7-11 _____

July 10-14 _____ Aug. 14-18 _____

July 17-21 _____
